Dear George,

Thank you for your generous donation of  
The West Islip Coalition for Long Island, Inc. cannot begin to tell you how much your kindness is appreciated. Your donation will be put to good use, helping us support our Lend A Helping Hand Program.

Our Lend A Helping Hand Program helps relieve some of the stresses and demands of everyday life, for women undergoing chemo or radiation therapy for breast or gynecological cancer, or receiving post-operative breast cancer care, without treatment. For these women, many daily tasks that go unnoticed by most of us, become obstacles in their path to restored health. Through donations, we can provide the assistance to lessen and in many instances, eliminate these stressors.

Your continued generosity is appreciated.

Sincerely,

Margaret Campise  
President

**George Waldbauer, Chairman  
Long Island Charities Foundation  
Melville, NY 11747**

Dear Chairman Waldbauer and Members of the Board,

My brothers and I established a charity organization in 2002 in honor of Terry Farrell, former Chief of the Hicksville and Dix Hills Fire Departments. As you know, Terry was also a member of Rescue 4/FDNY who along with 342 of his brother firefighters was murdered on 9/11/01. We had hoped to raise \$500 to \$1000 every year for a scholarship in his name. Since the beginning of our Fund we have given out over \$3,220,000.00 in direct financial aid to the families of firefighters across this Nation and we now operate 17 chapters across the United States. In addition, the Fund has been able to distribute over \$4,230,000.00 in surplus gear and apparatus to those departments in need.

Due directly to the generous support of Long Island Charities we continue to grow. On behalf of our Fund, I want to thank the entire Board for such a wonderful and very generous donation. Your support will improve the lives of first responders across the Nation. If there is anything, I can do to repay your kindness please do not hesitate to reach out to me directly

September 11, 2001 may have taken the firefighter but due to your help and support his spirit and that of his brother first responders will live on.

Sincerely,

Brian J. Farrell, Chairman

*Our mission is "to help improve the quality of life for those living with Alzheimer's disease and their caregivers."*

November 12, 2018

Mr. George Waldbauer  
Long Island Charities  
585 Broadhollow Rd  
Melville, NY 11747-5014

Dear Mr. Waldbauer,

Thank you so much for having me at The Long Island Charities Dinner and thank you for the generous support you have bestowed upon the Long Island Alzheimer's Foundation over the many years. I was so grateful to spend the evening with you and our many deserving Long Island charities.

At its heart, the Long Island Alzheimer's Foundation is about improving the quality of life for those living with Alzheimer's disease and their caregivers. So, it was with deep gratitude that we received your very kind donation. Thank you.

Your contribution will directly help Alzheimer's families when they need us the most. Individuals suffering with this devastating disease can benefit from cognitive stimulation and enjoy dancing, music and exercise in our social adult day program. For caregivers, it means attending our caregiver support groups where they can share feelings, ideas and talk with others who share the same challenges.

Whether helping families access our day programs, in-home respite or providing compassion and resources through a simple conversation, the Long Island Alzheimer's Foundation will be there, thanks to you. And in turn, we will help individuals and families struggling with Alzheimer's find "life worth living" after the diagnosis.

Thank you for supporting others through the Long Island Alzheimer's Foundation.

Sincerely,

Jenna Caroccia, CFRE  
Director of Development
